Ma204–Programming with Robots: Homework 01

Distributed: January 30, 2009   Due: February 6, 2009

*Submit the program files to me via the upload web page[1] described in class. Submit the remaining problems to me (also via the upload web page) in either a text or pdf document (preferred) or a word document (tolerated), neatly written and organized. Please do **not** print out your program, only submit it electronically.*

(1) Programming Exercises:
   (a) Chapter 4: 9, 11
(2) Written Exercises:
   (a) Chapter 4: 1–4, 6, 10 (don't submit your code, just report your results, try several different datatypes).
